[Notice] The shuttle may be delayed due to weather, snow or road conditions. Please allow extra time for your train connection. If there is a significant delay, the hotel will contact guests with reservations.

- This transfer is for snowmobile tour participants only (capacity 9, reservation required). Please book it together with your tour.
- Tours meet and finish at the hotel. The hotel bus stop is under the porch at the golf-side entrance. The inbound transfer arrives about 25–45 minutes before the tour starts (time for check-in and changing).
- The return transfer leaves the hotel about 20–40 minutes after the tour ends, allowing time to change.
- The bus departs on schedule; we are unable to wait for late passengers. Connection times: at least 15 min after arrival and 20 min before departure.
- At Joetsumyoko Station, the bus stops at the WEST EXIT (西口) rotary. After the Shinkansen ticket gates, turn left toward the West Exit, walk to the end of the 2nd-floor concourse (by the large window), and take the stairs, elevator or escalator down to the ground floor. The hotel shuttle stops at the bus bay in the rotary.
